

Desigo™

# Touch panel clients 7.0", 10.1" and 15.6"

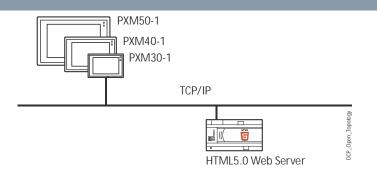

PXM30-1, PXM40-1, PXM50-1 and mounting frames PXA.V40, PXA.V50

## High-quality touch panels for communication using an HTML5.0 web server

- Compact design featuring a low installation depth for mounting in panel doors
- Wall-mounting with installation frames for PXM40-1, PXM50-1 (ordered separately)
- High-resolution, capacitive touch displays (landscape)
- Operating voltage AC 24 V, DC 24 V, or Power over Ethernet (PoE) (PXM40-1 and PXM50-1)

The devices are suitable for installation in panel doors. Mounting frames are available for wall mounting (ordered separately).

- PXM40.E and PXM50.E (flush mounting)
- PXM30.E (surface mounting)

## **Functions**

## Settings

Different settings are available, however, for user-friendly operation of the touch panel. They can be edited after login.

For details, see "Desigo Touch Panel client commissioning", A6V11604303.

Function	Description			
Brightness	Sets the screen's brightne	Sets the screen's brightness.		
Time format	24 hours or 12 hours (am/	24 hours or 12 hours (am/pm).		
Date format	8 variants are available.	8 variants are available.		
Language	1 1 0	Touch panel operating language: Supports 20 languages; the factory setting for the user interface is English.		
	Arabic Danish English Finnish French German Hindi	Italian Japanese Korean Norwegian Persian/Farsi Polish Portuguese	Rumanian Russian Simplified Chinese Traditional Chinese Spanish Swedish Turkish	
Keyboard		The interaction with the keyboard is roughly the same as commercially available products such as smart phone, tablets, etc.		
Auto logout	Time to logout: 5, 10, 15, 30, 45, 60 minutes The automatic logout can be set at intervals of 5 to 60 minutes, including the ability to suppress automatic logout for certain technical reasons.			
Screensaver	On after 15 minutes, factory setting: On The screensaver CANNOT be disabled			

#### Type summary

Туре	Stock number	Description
PXM30-1	S55623-H131	Touch panel client 7"
PXM40-1	S55623-H132	Touch panel client 10"
PXM50-1	S55623-H133	Touch panel client 15"

#### Accessories

Туре	Stock number	Description	Document no.
PXA.V40	S55842-Z119	Wall-mount frame for PXM40-1	
PXA.V50	S55842-Z120	Wall-mount frame for PXM50-1	
PXA.S30	S55842-Z123	Mounting set for PXM30-1, PXM30.E	A6V11646070

The mounting set / wall-mount frames must be ordered separately.

#### Document

Desigo Touch Panel client commissioning

**Document no.** A6V11604303

Related documents such as the environmental declarations, CE declarations, etc., can be downloaded from the following Internet address: https://siemens.com/bt/download.

#### Notes

#### Safety

National safety regulations			
Failure to comply with national safety regulations may result in personal injury and property damage.			
• Observe national provisions and comply with the appropriate safety regulations.			

#### Engineering

For additional information on cable lengths, topology, etc.: See Desigo Control Point client commissioning (A6V11604303).

#### Mounting

## Mounting types

Touch Panels are designed for

- Mounting in the panel door
- Installation in cavity walls using separately ordered installation frames (PXA.V40. PXA.V50)
- Wall or panel door mounting using separately ordered mounting set (PXA.S30)

#### **Mounting Instructions**

Mounting installations are printed on the unit's packaging material.

#### Cut outs for panel installation and wall mounting

See "Dimensions".

#### Installation

Power is connected to a plug-in screw terminal block. This connection is not required for Power over Ethernet (PoE).

#### Commissioning

Touch panels can be commissioned without tools. All necessary network parameters can be entered directly on the unit. Each device has a unique identification number to ensure efficient commissioning. It is also printed on the removable barcode label.

## LED display (front side)

Color	Activity	Function
Green	Off	Device is not powered
	Flashing	Start-up or the program is stopped
	On	Device is operational
On		ОК
		Program error Hardware fault
	Flashing 1 Hz	Wrong or corrupt software No application loaded Faulty server-link configuration
	Flashes in wink command rhythm	Physical device ID

## Service button (rear side) (Only for devices with series B and higher, see printing on the device)

	Press	Description	
	Short	Physical identification on the network (Ethernet)	
S55623-H129	As per	Do the following to reset the device to factory state:	
Country of Origin: China AL MAC: 00A003F50000 Hex	description	. Power off the device.	
		2. Power on the device.	
		3. Wait until the green LED lights up and turns off again, then press the Service button.	
		4. Keep the Service button pressed until the green LED lights up, then release the button.	
		5. Wait until the device has fully started – unconfigured (LED flashes red/green)	
		Pre-loaded apps are still available. The FW remains unchanged	

#### Maintenance

## Cleaning

Touch panels are maintenance free.

Dirt on the display can be cleaned using off-the-shelf display cleaners for smart phones, a moist rag, and/or off-the-shelf microfiber cloth for monitors or glasses. Recommended products:

- Lysol towel
- Clorex towel
- Water with 2% alcohol
- Damp microfiber cloth
- H<sub>2</sub>O<sub>2</sub> hydrogen peroxide
- Sterillium<sup>®</sup> Classic Pure

•

## Firmware upgrade

You can update the firmware with ABT Site.

## Repair

The devices cannot be repaired. The entire unit must be replaced.

## Disposal

The device is considered an electronic device for disposal in accordance with the European Guidelines and may not be disposed of as domestic garbage.

• Dispose of the device through channels provided for this purpose.

Comply with all local and currently applicable laws and regulations.

## Power supply

· · · · · · · · · · · · · · · · · · ·			
Operating voltage Safety Extra-Low Voltage SELV or Protection by Extra Low Voltage per HD384 PoE: PoE switches and injectors must comply with IEEE 802.3at	AC 24 V ±20% (SELV / PELV) AC 24 V class 2 (US) DC 24 V ±15% (SELV / PELV) DC 24 V class 2 (US) DC 48 V (PoE Class 4, alternative A) (PXM40-1, PXM50-1 only)
